RETAIL & FOODSERVICE

BE PASTRY GROUP LLC

OAKLAND PARK, FLORIDA · MADE IN USA

PREPARED FOR COSTCO

THE PRODUCT

A CHURRO BUILT FOR VOLUME RETAIL

Pre-fried and frozen at our facility. The customer finishes it at home in an air fryer in minutes — no oil, no mess, no skill required. The same product line already ships to foodservice operators across South Florida.

AIR FRYER READY

Six to seven minutes at 350°F, straight from frozen. No deep frying at home, which is what keeps most people from buying churros in the first place.

FOUR FILLED FLAVORS

Churro Bites come in dulce de leche, chocolate, guava and Bavarian cream — same 12-unit box, same master case, same production line.

TWO WAYS TO BUY

A retail club pack for the member, and a foodservice case pack for the business member — both from the same production line.

PRODUCT 02

FILLED CHURRO BITES
